

NEW APPLICANTS 2018 SUMMER/FALL SEASON

Welcome to the application process for the 32nd Street Farmers Market. We cannot automatically guarantee you a spot in the market, since our space is limited, but in order to make the best decisions, we would like you to take a few minutes to answer some questions about you, your business, your marketing experience. We encourage you to attend our next Board meeting on Monday, March 19th promptly at 7:00 p.m. We'll meet at the Waverly Main Street Office, 3302B Greenmount Avenue, 21218 . You may answer the questions on a separate piece of paper or present them at the meeting. If you cannot attend, please send them with the application.

The 32nd Street Farmers Market is in its 38th season. We are interested in continuing our tradition of excellence and service to the community. Our goal is to accept applicants who continue to reflect the pride we feel in our market and our community. Thank you for your interest in the market.

Tell us a little about yourself. What characteristic would you pride yourself in that would be of benefit to the market?

Tell us a little about your business. What kind of business do you operate? How long have you been in this business? If you are a farmer, how long have you been farming?

Tell us a little about your marketing experience. Have you participated in any farmers markets? Have you introduced any new product(s) in the past several years? What prompted you? What do you see as your best product and why?

Thank you for taking the time to introduce yourself. We look forward to meeting you on March 19th.
